# About Morn

Jinan Sinicmech Machinery Co.,Ltd (MORN Group) is a professional lift platform manufacturer and is also the biggest producer in northern China. Branded with MORN LIFT, our produce category covers scissor lift table, goods lift, aerial work platform,home elevator, loading dock ramp and dumbwaiter with both standard models and custom models.

MORN has been adhering to the development guideline of " Safety and Efficiency" ever since the company was founded in 2007. To provide safe, convenient and efficient lifting equipment to facilitate user' s goods handing work and aerial work, we focus on product quality, capacity and durability throughout the process of product design, manufacturing, quality test, trial running and after-sales service.

Tell us your work need and we will recommend you the best suitable lifting solution designed according to your installation site and work requirement.

# MORN

Mobile  
loading  
Ramp

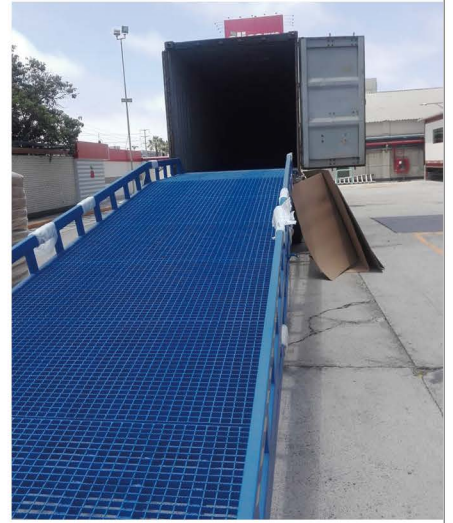

MORN mobile loading ramp is different from others by its distinct characteristic. People can load and unload cargo from the container more easily by using dock ramps. And the forklifts can go up and down safely. MORN dock ramps are exported to United States, France, Italy, Australia, Singapore, South Africa, the Philippines, Canada, Belgium and so on, more than 150 countries.

Model	Load(T)	Working height	Working grade	Dimensions	Power
MDR-6	6	1.1 ~ 1.7m	≤13°	11.2*2*1.1m	Manual or electric drive
MDR-8	8	1.1 ~ 1.7m	≤13°	11.2*2*1.1m	Manual or electric drive
MDR-10	10	1.1 ~ 1.7m	≤13°	11.2*2*1.1m	Manual or electric drive
MDR-12	12	1.1 ~ 1.7m	≤13°	11.2*2*1.1m	Manual or electric drive
MDR-15	15	1.1 ~ 1.7m	≤13°	11.2*2*1.1m	Manual or electric drive

**What we do is only for one aim, to provide a convenient access for the loading & unloading.**

# MORN Mobile Loading Ramp
